#### NEWSLETTER

Welcome to the new edition of the best rag in town, your chance to catch up with all the news at Radio Heatherwood.

#### NEW PRESENTERS

We start this month; with news of the recruitment drive for Radio Heatherwood. We have had adverts on Radio 210, and County Sound; as well as this week, an advert should appear in the Jobhunter. Since our last newsletter a tape advertising for new presenters is in, and this will be played as one of the on going features of our regular promotions.

#### GRAND DRAW

The grand draw is well under way now, and we would like to thank all those; who have already put their names down for the ticket selling. The draw is at this moment in time, has just moved into profit from the set-up costs £300. We have a long way to go and there are still many times to be filled in for the selling.

My own contribution to the selling is to give up my programs on a Saturday and put a table up in the maternity from 2 till 8.30 every Saturday. I shall also be doing all the high streets except one.

#### CHARITY NIGHT

The charity night has been fixed for the Gold cup Public House and the draw will take place here; more details next time around.

#### SECOND STUDIO

We are still pressing very hard for another room, to be made available to us from the hospital. If this is not going to happen; a complete change round to our present library, and reception area will have to take place in September; to accommodate the second studio equipment.

#### INFORMATION LEAFLET

A new information leaflet has been produced on the computer and will in time be left in all lockers on the wards. Our thanks to Dave for all the hard work. ( Copy on the Noticeboard )

#### EAST BERKS PROPOSALS

We are all very much aware of the plans for Heatherwood, and the shock this has produced in the community. I would remind everyone that this station's licence is held not by the League, but by the unit administrator, we are therefore not in a position; nor should we make comments on any of the said proposals, or day to day running of the hospital over the air.

#### WE MUST REMAIN NEUTRAL IN SUCH DISPUTES

If we say anything it is to advise people to write to the community health council: at the address on the notice; for broadcasts. NO OTHER PERSONAL COMMENTS PLEASE

#### WE ARE HERE TO ENTERTAIN

#### FEEDBACK

This month's feedback a notelet has been received from a patient in ward eight, and a special mention to Trevor, well done Trev.

We also made our last visit of the year to Kingston Hospital Radio, a party of four left for the big smoke, and a few beers later we returned from an enjoyable evening, but very thankful of our own up to date setup in the studios.

A visit by Radio Wey also took place to our studios. They were interested in the inductive loop transmission system, and were suitably impressed, at the end of the evening.

#### DEPARTURES

Harvey Lodder has decided to take a long leave, and gain more experience outside, but will contact us again, sometime in the future.

John Rentell has left, we think, but we are not sure, as no communication by him has been received.

#### RECORDS (Appeal)

We are still receiving an odd phone call; with donations for RH, don't forget if you receive a phone call at the studio; take the person's name and tel no, and advise that Dave will contact them as soon as possible.

And in the end

KEEP UP THE GOOD WORK

P.J.
