# NEWSLETTER

Welcome to the new edition of the best rag in town, your chance to catch up with all the news at Radio Heatherwood.

## GRAND DRAW

The grand draw is half way through, and we would like to thank all those; who have already put their names down for the ticket selling. The draw at this moment in time, has sold about the same amount of tickets: as in previous years. We have a long way to go and there is still your own personal allocation, which could boost the final figure. Please remember the draw is our lifeline, and that extra effort; will make the future much more rosy.

## CHARITY NIGHT

The charity night is Friday 15th Sept; at the Gold Cup in Fernbank road. It would be nice if everyone can attend, this includes all newcomers.

## NEW PRESENTERS

This month, we have gained a large amount of presenters. We welcome them to Heatherwood, and hope they will find the station a friendly place.

One of the requirements of all presenters, is the need to familiarize yourself with our guidelines. In your spare moments you should be reading the blue book, and abiding by them.

## TRAINING OFFICER

In the past we had a training officer, who was responsible for all trainee presenters on the air. Our last officer left some time ago, and we have been trying to find a replacement, who could take over. We have decided as from the 1st August John Bembridge will take this role over. If you have any questions about training please contact John. We wish him well in his new Role.

## POLICY REVIEW

One subject which has cropped up again, is the use of jingles on air. It clearly states in the blue book, that no jingles are to be used without being aired first to the management, (Page 6).

In future any person not obeying this guideline will lose  
-----  
their right to broadcast.  
-----

One further amendment to this guideline is; No trainee will be allowed to advertise himself/herself with jingles whilst training. We are interested in their presentation skills, not program inserts saying how wonderful they are.

The other point which has cropped up: We are Radio Heatherwood on air, and not R.H. under any circumstances. (Wireless Telegraphy act 1948); Blue Book: Does Advise this.

(Foot & Mouth) Engage brain before opening Mouth.

If you have a failed request remember to leave the form in the brown box in the studio. IE second request, etc.

#### DEPARTURES

Due to commitments at work; Jacqueline Ryan has left the broadcasting staff for the present, but will do her fundraising, and may rejoin at a later date. We wish her all the best for the future and hope to see her again; many thanks Jacqui.

#### COMPUTER

A disaster took place one Sunday morning, when the program for the library crashed, and all the data entered is now scrambled. We have returned the disks to the software house, and we are optimistic of being able to salvage it.

#### FEEDBACK

Where are all the stories this month?. Don't forget we are looking for stories or comments from patients who are avid listeners of Radio Heatherwood. If you receive good reports let me know.

#### RECORDS (Appeal)

We are still receiving an odd phone call; with donations for RH, don't forget if you receive a phone call at the studio; take the person's name and tel no, and advise that Dave will contact them as soon as possible.

And in the end

KEEP UP THE GOOD WORK

P. J.
