

Begging Bowl

The man with the bowl has been out again this month with his oliver twist act and has secured another donation of £50 from logic Automation of Bracknell.

Well done Keith.

Car Boot

This years car boot produced it's usual crop of funnies during the day," There's now't so strange as folk ."

There was the arab with the twenty pound note who didn't want to pay his 20p.

There was the guy who bought Big daddies joke book and thought they were funny.

There was the woman who parked her car in the car park; only to return to find the wheels missing.

and there was the two indian looking gents who turned up at ten past four and asked where's the car boot,thinking it started at four.

The car boot fair on 6th June raised £404 for the league down on last year.In the evening the station received a visit from Derek Robinson first program controller for Radio Heatherwood.Derek praised the present management and staff for making Radio Heatherwood a professional set up.

Departures

Dominic Cross(Dismissed 19/6/92):See Note from the Boss.

Arrivals

Thomas Beaumont has started training on fridays.We wish him well and hope he will enjoy working at Radio Heatherwood.

Commitment

Dominic Cross was dismissed from this station on friday 19-6-92.He failed to show real commitment to the stations aims.He failed to recognize the audience he was playing too.His employment appeared to interfere with his attendance.He stated on that friday that he would not be able to do fundraising from July to September or attend the station during this period.

In fairness to everyone else bearing in mind other such matters of actions against normal working practises of this station he was thanked for the help he had put in,but his services were no longer required.

It is always sad when someone has to be dismissed from the station.We cannot afford people who only pay lip service to this station and it's staff,hoping to do his or her own thing in their own way as soon as possible:it is not what we are hear for.The rest of us are working hard and doing our fare share.We cannot afford the Dominics of this world,we've been down that road before it nearly ended in No Radio Station.

(Dave)

Day Trip

On sunday 21st June another coach departed Bracknell for Weston

Super Mare. Another trip in the supporters diary. The weather was fine and hot and a full coach raised around £130 for the station.

(Nice One Dave)

Grand Draw

Just a couple of reminders:-

Don't forget to check each week to make sure your not selling tickets during the coming week.

Don't turn up late for your ticket selling times !.

Don't forget the funny excuses !.

Sweatshirts

There are some spares if you haven't got one, a check for £9:50 is all that is required.

Radio Heatherwood (FM)

During the month of April the radio authority carried out transmission tests on 101.6fm with the view to allocating an fm frequency to all hospital radios. It is quite likely the results of those tests will mean a complete change to the way hospital radio in the UK operates. (watch this space).

Rumour Control

And finally, a studio manager will do anything for a bar of chocolate .
