## Presenters Newsletter Iss 28 July 1991

The Radio Heatherwood staff newsletters took many styles and methods of production during it's publications.

The originals have been lost, but to show the flavour of the content we have recreated an issue (28)  
a newsletter originally published in July 1991.

This was produced using Timeworks desktop publishing program and would have been printed on a coloured sheet of paper. All the layout mistakes and poor positioning of items are still shown, so as not to change the history of the development of the newsletter.

A copy would have been posted on the studio noticeboard.

The only changes made to these have been the removal of personal phone numbers.

***This copy was taken from a scan of a draft newsletter***

NEWSLETTER JULY 1991 (Iss 28)

## → Do Not Pass Go

On Friday 7th June the Bracknell West Rangers visited the studio's to present a cheque for £75. The money was raised by visiting all the places on a monopoly board. Which meant dashing from one place to another by bus, tube and foot. The party of twelve rangers didn't actually reach all the destinations but did gain some very sore feet.

## → Car Boot Fair

Once again; many thanks to those of you who popped along to the fete. We had 44 cars turn up to sell; which wasn't bad. The event was well worth it and I know a lot of you did enjoy yourselves. Some new catchphrases were created that day one that springs to mind:

" The bald headed guy at the other end let me out "

( Apologies to Nigel ).

## → Car Boot P.A.

In case some of you were wondering why we didn't relay a program from the field or broadcast a morning service. The Prs licence didn't arrive until the Saturday before, added to which we needed as many bodies as we could muster for the gates etc. The music to music tapes served their purpose. Perhaps next year.

## → Grand Draw

Next years running costs and the new maintenance contract for the next two year period of the medium wave ensure that we must continue with our annual event.

*Please make sure each week you check and make a note of your selling times for the forthcoming weeks. ( Any problems contact Gordon as soon as possible ).*

The voicebox notes on the console gives details of the advert.

## → Donations

The donations tapes from each studio will be removed during the grand draw promotion.

## → CD/Record Care

The studio had purchased the new Beverly Craven cd and within a week the case was broken and rammed into the rack. Let's have more care of the cd's and the records which also tend to be mis-handled and rammed between other records. Colour codes should also be outermost when filing please.

## → Studio One

Studio one will close at the beginning of September to allow modifications to the console which will accommodate two cd players and the revised talkback arrangements for presenters.

## → Happy Birthday

Happy Birthday Radio Heatherwood was celebrated on Sunday 16th June with a special broadcast organised by Gordon Young. 15 years on and the station continues to thrive. The last eight years has seen some significant changes to the studio's and the whole concept of Radio at Heatherwood. I hope in your spare moments you have taken time to read the radio history files.

## → Charity Night

This years grand draw will not end with a charity night as in previous years. A special night with buffet and drinks will be laid on for presenters and invited guests only. More details nearer the time.

## → Magazine

When we are out on the wards. Don't forget to give a magazine to every patient who has a request and shows an interest in the radio.

## → Feedback

Next months feed back a report the birthday broadcast by Roger Hawkes.

## ✗ Keep Spinning the Discs

## → P J.
