## Presenters Newsletter Iss 30 September 1991

The Radio Heatherwood staff newsletters took many styles and methods of production during it's publications.

The originals have been lost, but to show the flavour of the content we have recreated an issue (30)

a newsletter originally published in September 1991.

This was produced using Timeworks desktop publishing program and would have been printed on a coloured sheet of paper. All the layout mistakes and poor positioning of items are still shown, so as not to change the history of the development of the newsletter.

A copy would have been posted on the studio noticeboard.

The only changes made to these have been the removal of personal phone numbers.

***This copy was taken from a scan of a draft newsletter***

NEWSLETTER SEPTEMBER 1991 (1st 30)

## Ascot High Street

The first Saturday in August raffle ticket selling had us pitted against two other charities for the public's money. We didn't sell much that day; all was not lost Roger saved the day with a cup of tea and some rich tea biscuits, for the early morning team.

Thanks Roge

( Ed: Next time Roge ; can we have the custard creams )

## Chilton Studio One

( Bad News )

The dry atmosphere in our studio one continues to plague the workings of our equipment. Over the years this has contributed to the noisy workings of cassette decks and the drying out of connectors on the mixer.

( Good News )

Due to some continued sales and Pr for Chilton Audio we have now received a spare module with the new style layout which we can use as a spare should a fault develop with existing units.

The value of this unit is £300. We were intending to buy a spare at some time ; we have no need to bother now.

## On the Beat

Radio Heatherwood has a new ambassador for our services. PC2151 Taffy Evans who was a patient in ward three a couple of months ago. During his stay he didn't have a request on the radio but was impressed with the commitment we make in providing the service. Taffy is our local community policeman for Ascot Taffy and his colleague Bryan Houlton produce a newsletter for the community. They will provide a copy

for the station to use for a regular program insert.

Taffy will also help promote the station for us with his many contacts.

If you get a visit one evening from the boys in blue don't be surprised.

## Dangerous Liaisons

I wonder what the people of Tesco's thought that night I was summoned to meet Taffy whilst on duty. Parking in the car park and waiting for the boys in blue to arrive : a flash of the headlights as they arrived : a swap of cars and what information changed hands that night. Is P.J. really a police informant or is something un-scrupulous taking place.

An event which captures all the suspense of a high drama police story, all in the cause of Radio Heatherwood.

( Ed: I've always wanted a blue light on the top of me car ).

## I Hear you Knocking

Disaster struck during August when P.J.( Raffles ) had to break into the second studio due to his keys being locked inside.

( Ed: Was the break in reported to our local friendly bobby )

## It Doesn't Matter !

Just in case some of you think we are being strict on some of the different aspects of hospital broadcasting. The article across was printed in the local paper during August.

Copyright and Prs investigators are a not idle in their pursuit of offenders : we must make sure we

are squeaky clean.

## The Joys of Ward Rounds

It's not easy going round the wards you may find your pocket suffers from other fund raising activities. Keith Smith has no need to worry : returning from his holiday he promptly wins £20 on a ward raffle.

( Ed: It must be your turn for the beers Keith ! )

## Swanage Return Please

On sunday 1st September a coach departed for Sunny Swanage : fully booked ; the supporters trip raised another £120 for the station. The beach at Swanage was unfortunately plagued with seaweed which had apparently gone mad due to the hot weather : this didn't deter the enjoyment of the day. A fun-filled day was had by all.

## Music to Music

Lee Henty has produced some new compilations for music to music. If you use these please at the end of the program accredit them to Lee.

If you would like to make up some of your own compilations to be used, this can be arranged with Gordon for

## Copyright dispute

A WOKINGHAM nightclub has been accused of breaching copyright after investigators heard hit songs being played without a performance licence.

Grabbers were caught red-handed playing a list of hit songs including top rap artist MC Hammer, Seal and even Kylie Minogue.

An investigator from London-based Phonographic Performance, which owns exclusive performance rights on thousands of popular songs, visited the club in Evendons Lane and heard a number of songs.

As a result the company requested an injunction order at the High Court in London against Nite-Glo Promotions, owners of the Evendons Lane club.

The club's counsel guaranteed that the songs from the repertoire would not be played without payment of a licence fee. But Nite-Glo was ordered to pay the costs of the injunction application.

studio time. The tapes should be TDK as already used and must be left in the studio.

It's a lot easier than rushing back with five minutes to spare trying to cobble together a program.

## Footnote:-

*Don't make copies to pass on to your friends, patients, etc. If you do we will withdraw this facility. Copyright etc.*

## Grand Draw Personal Sales

A big thankyou to everyone for your efforts during the Grand Draw. Our new supporter Taffy Evans was able to sell £174.20 thru his contacts in the community.

A splendid effort.

## Grand Draw ( And in the End )

Another fundraising year comes to a close and the results of the draw make interesting reading. The first year of the grid allocation and life has been easier we feel for most people. Look at the graph which Gordon has produced.

*Gross £1759.71 Nett £1313.81*

We have been able to maintain last years sales figures but set up costs have increased by £100 due to the prizes purchased.

Everyone deserves a pat on the back for the excellent work put in.

## Well Done Team.

( Ed: Do you know what I can do with all these pink things )

## Label

It is a sad fact of life that people will attach a label to almost anything which occurs in life.

With this in mind in the light of recent events, the following labels could they apply to us:-

## The Magnificent 7 + 1 ?

## Snow White and the Seven Dwarfs ?

Snow White:- Caroline.

Bashful:- Keith.

Doc:- P.J.

Happy:- Alan.

Grumpy:- Dave.

Dopey:- Roger.

Sleepy:- Gordon.

Sneaky:- Lee.

(Ed: Heigh Ho, Heigh Ho' it's of to the wards we go )

## Pass Out

A young lady who joined us earlier this year passed out this week in the nicest possible way.

Please pass on your good wishes to a new preenter on the team.

*Well Done Caroline*

## Feedback

There has been some marvellous notes of thanks filtering thru from the wards over the last few weeks.

Tom o'Connor's father was in ward 10 and made a donation to us recently.

*Don't forget to jot down your feedback stories and put them on my clip*

PJ.
