The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

### **Background Story to Email:-**

Monthly update to all staff including info on the project to bring 24hr radio to the hospital.

Hi Girls & Guys

Just a couple of bits of news for you you.

### **New Arrival**

The station welcomed Stan Slupek to Wednesdays at the end of July. Unfortunately this has been the first opportunity for me to welcome him and for me to advise he is now part of the email group and you can contact him direct on Stan.Slupek@.

### **Cooling**

As you are no doubt aware the new cooling unit in the studio has been trialled over the last week as to its suitability. Another has been purchased along with a dry air type cooler which will be purchased.

Between the three we hope, these will keep the studio's in a more comfortable working environment.

### **Water**

Just to let you know we are making plans to install a sink with a cold water supply in the engineering room. Two reasons for this, one to make it easier for you to obtain water for your drinks and secondly to accommodate the water supply for the coolers. This will be installed just as soon as I'm properly back on my feet.

### **Automated Broadcast System ( Wavestation )**

In between the exercises at home, I am in the process of changing my pc. When this is complete it is my intention to place my old machine in the production area with a copy of the trial software on. The is so that demos can be shown to presenters and supporters who will be visiting the complex.

### **Mini-Disc Instructions**

The new mini-disc in studio 2 will have a completed aide memoire this coming week. Dave has it and will place it in the studio.

### **Donation**

On Tuesday 7th August Roger accepted a £10 Donation from Monica Nicks.
