The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Hi Guys & Girls

As you are probably already aware, Bruce is set to do his last program for Radio Heatherwood on December 10th. He is returning to the fields of Devon from whence he came 7 years ago. Some people might say it's the seven year itch in any marriage but we know different. I hope you will all wish him & Sue well for the future.

We shall miss the sound of Runrig on the airwaves but intend to play them occasionally just to re-live old times.

From all your friends at Heatherwood all the best for the future.

### Jingles Mini-disc 2

Some more jingles have been added to mini-disc 2. These were produced back in June. I was hoping to add a few more to the disc but have been rather busy sorting out other issue's. Hope you like them.

### Computer Viruses

Just a reminder to everyone. If you receive an email from me with an attachment and I have not mentioned it in the text of the email. Do not open it, just delete it. I have received two copies this past week from people who have been infected by the latest. My virus checker is up to date but you never know. if in doubt delete it, that's what I do.

Attachments are the common way viruses are spread.  
Keep Heatherwood email Virus free!!!!!!!!!!!!

That's all for now.  
Regards  
keep on Rockin!!!!  
PJ.
