Hi Guys & Girls

Just thought I would update you with a couple of things.

#### Temperature Chart

Thankyou to everyone for filling this in. As from Jan 1 we will not be continuing with this.

#### Car Park Permits.

These will be available to you when you return after the break.

#### New Recruits

As you know this last year has seen us loose some valuable people and the recruitment of new people has slipped into non existence. We have serious concerns for this.

Two weeks ago an appointment was made for an interview with someone. Ten minutes before they due to arrive they cry off. We have two new people which have shown interest and we will be posting out some forms for them.

When we return in the new year we need a concerted effort by everyone to try and sell our services to potential new recruits, whether it be at our places of work or down your local. If you have any ideas on this let me know. An Open Day is my thoughts on this!!!!.

#### Cable Cut

Watch out in the new year, when you come in check the TX. A conversation with Adrian the electrician last Saturday leads me to think. we are about to see some more damage inflicted as they complete the new out-patients dept.

#### Monday Nights

The departure of Bruce leaves us with no alternative but to close Mondays for the time being. Laraine can if she wishes come in on Tuesdays and is also welcome on Saturdays( We need some sex appeal on a Saturday ). We hope that in the near future Anita will return to us.

#### That was the Year that was 2001

As the year draws to a close, the current staffing crisis on the station is not how we would have wished the year would end. In the words of her majesty it's been a crap year for me personally( can't say the posh Latin ). The forced sickness has devastated my personal commitments and has had a profound effect on my future.

There was a lot of things which I had hoped to get off the ground this year but I have had to put them on ice. The success of the year has to be the completion of the studio move and the celebration of 25 years of Radio Heatherwood. We have had some good feedback from patients this year and this is credit too everyone.

**I want to take this opportunity to say a big big thankyou to everyone for their support and kind words during the past year.**

Have A Super Christmas and A Happy New Year!!

Best Wishes  
PJ
