The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Hi Guys

Some news etc

Chilton Studio 2

Matthew left me a note this week indicating a scratchy fader on cd1. I have today replaced this and it is back to normal. A couple of reminders to you all, that if you find a fault make a note on the playlist and leave a note in my tray. If you don't bring it to my attention it will stay un-repaired.

Chilton Studio1

The mike fader in studio one is still broken. I can't fix this one until mid October because to dismantle this mixer is a little more involved. I intend to do it on one of my holiday days.

New Presenters

We are still receiving a trickle of enquiries from people interested in joining. However some are too far away or are not old enough. I have filled in application forms this week to get our web sites listed on Windsor and Wokingham councils web sites. This will hopefully generate more interest.

We have had an enquiry from a former presenter we await the return of the application form.

CD Alert

I have mislaid a double cd of my own which is themes from science fiction films & TV. If you have picked it up with yours by mistake, I would dearly love it back. The sign of old age mislaying me records and memory.

Matthew Message

I don't think we changed the ward card today, you need to start on ward 3 Monday.

Regards
Keep on Rockin !
PJ
