The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Hi Guys

Some news for you.

#### Rhapsody Promotion

Two trustee's of the Ascot fire brigade trust visited today and were treated to the smith guided tour of Heatherwood and a demo of the 24 hour service. They were very impressed and staid about an hour and a half. we don't know what the outcome will be we must sit back now and wait.

#### Saturday Whirlwind

Just returned from a breezy stay in the Hurricane state of Louisiana Laraine swept into Saturday and arrived with some brownies. It's always nice to have a nibble on a Saturday ( and the cakes weren't bad either ). The old gags are the best you ask Roge. Seriously our thanks go out to Laraine for helping out the old boys on a Saturday.

#### Temperance Seven.

You may recall I posted a letter received about two weeks ago from the relative who was asking which records we played for her mother who recently passed away.

I have had a reply from Georgina:- She writes  
Dear Peter

I am most grateful to you for the trouble you have taken to locate my mother's requests. They would indeed have been the one's you marked 2 by the temperance seven and a Matt Monroe request. There was so much and such a wide variety of music that my mother loved, that it is good to know what she chose at that time,thankyou, yours sincerely Georgina. kynaston.  
Ed. It's nice to know she appreciated our service.

#### Sinking Feeling

David has spoke to the works dept this week about connecting the sink
