The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Hi Guys
News this week

New Recruits

We have had a sudden influx of applications this week four requests to join. We have posted out the application forms and await the outcome. It should be pointed out here we always receive lots of requests to join at this time of the year. Students etc.

New Presenter

This week Kirsty on Wednesdays completed the passing out ceremony. A 41 gun salute was fired and they all missed. Good thing really because Kirsty has just become a full presenter and a member of the wednesday team. Congratulations from all your colleagues Kirsty.

Christmas Drink

Don't forget Sarah is trying to organise a Christmas drink. Let her know if you can make it. I can make any date you settle on Sarah (PJ).

Rhapsody

Last week I listed some items which I would like everyone to take an active part in. In addition to the categories I mentioned I forgot the Films & Show Business Trivia. This needs to be in the style of non-dateable trivia about actors/films/TV. No more than a minute long.

Regards
