To: Radio Staff

The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Background Story to Email:-

News Update

PJ Davidson-Smith Former Secretary

Hi Guys

Some more news for you

Patient Power

At the league meeting last night the hospital rep announced that work on the wiring had commenced in Wexham Park today (Monday 25th) Work is also due to commence at Heatherwood. The revised completion of the first wards is now February before we see any of the wards completed. I'm sure this date will change again.

Rhapsody

Word has it that PJ, could sell snow to the Eskimo's and sand to the Arabs. this in mind I persuaded the league to participate in the Rhapsody project by a donation of £1300. This money will be used to purchase a fourth PC which will be used in the Production area. This will run all admin software, virus scan, and program schedules will be edited on this machine. Prior to upload to the rhapsody machine. This is the plan:-

Studio 1 PC with Wavecart & Cool edit Software Production Version of Wavestation (Full Access and Live Assist for Programs)

Studio 2 PC with Wavecart & Cool edit Software Production Version of Wavestation (Full Access and Live Assist for Programs)

Engineering PC Running Wavestation and 24 Hour Service (No Access by Presenters) Rhapsody Service

Production PC Natural Music Scheduler Cool edit Software Production version of Wavestation and Anti Virus Software (Limited Access by Presenters).

The balance of the money from the league will fund a very essential item for the project an Atomic clock which will provide accurate time for the rhapsody pc so that when we cut for the news we will be on time every time. This clock with software is £300.

If you have any questions or concerns about what has been written recently and what we are doing please feel free to ask !!!!!!!!!!!!!!!

That's all for now.

Regards

Peter J Davidson-Smith
