The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Hi Guys

Here is this weeks news.

#### New Presenter

Barry Moor on Saturdays underwent some personal tuition from the boss today and he is now ready to tackle the task on his own. In the new year he will be at the sharp end. Congrats to Barry. That's a beer all round.

#### Radiators

A request to all please do not leave the radiators on full when you leave at nights. Today we arrived and you could cook your breakfast in studio one and reception with the need for a stove. Turn the controls down to mid way not full on.

#### Government Health Warning

Today after a warning was issued Big Al and PJ gave the patients a treat with a good old fashion record show. They even dressed for the occasion with some old flared trousers and kipper ties. Only Joking it was a pleasure to work with a professional, when I do I'll let you know PJ.

#### Car Park Permits

They are in your trays

#### Rhapsody Update

The computers are confirmed to arrive next Saturday and I have also ordered the sound cards. No more at this stage.

#### Regards
