The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Hi Guys

This weeks news etc

Patient Power

I have been given the contact no for the representative for the installation of the hospicom system so I will be ringing him this coming week to get some sort of dialogue going and maybe some concrete news etc.

Rhapsody Press Release

The press release for Rhapsody was sent out this past week, an article should appear in this coming weeks Ascot Express along with a picture which was taken yesterday.

Iraqi War Comments

A Reminder:-

As we are all very much aware this is a very emotive issue, Under no circumstances voice your personal opinion over the air. If we do receive any complaint about bias from a listener you would be suspended.

This may sound harsh, but we are not here to view personal political or religious convictions, we must also adhere to the radio authorities guidelines of fair comment.

Loan Radio's

Yesterday John whilst on ward rounds found a draw in a desk on ward 4 with 17 radio's in it. Only four require a repair so they have been left in the library for return to the wards. Please please make sure these are dishd out this coming week. I have also left 40 pp3's in the box which can be freely given out. this is to encourage listeners for next weekend.

Category Champions for Rhapsody

Two weeks ago I asked for some volunteers for the categories below. The only response is from John Murphy who will champion the quizzes

Our new Mastermind is John Murphy.

We still need some willing participants.

Patient Information Champion

We need someone to champion the patient information links and get something into production and be responsible for this very important part of the service.

Local News & Events Champion

We need someone to champion the local news & events links and get something into production and be responsible for this very important part of the service.

Quiz Questions & Answers Champion (Physiotherapy for the Brain)

We need someone to champion the quiz links and get something into production and be responsible for this very important part of the service.

The trust intend to have an open day in July to celebrate the official opening of the hospital. It's actually eighty one years since they first started taking patients. 1922 you remember the year Allied had a carpet sale I believe !.

Rhapsody Test Weekend

Playlist

HELPP!!!!!!!!!!

We need some willing volunteers to come in Thursday evening at seven and go around all the wards delivering an information leaflet to the patients and staff plus free batteries to those who have the pp3 type radio. Also make sure as many radio's as possible are available for the weekend.

Friday Evening Launch

Feedback on Rhapsody

I would hope that there will be some feedback from the patients/staff. I need to know those comments good or bad

Rhapsody is our future, are you going to be there?.

That's All
