The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Hi Guys & Girls

I have completed a training document for the new library. In the same format as the training companion it's 22 pages long and gives details on how to use the new library.

If you want your own copy of these notes let me know. If not, a copy will be available at the studio from Saturday 30th July.

A demo for team nights will be available.

*(Comment 2020)*

*A separate email was sent to Roger as training partner with the file attached and is enclosed here. All others would need to request a copy.*
