The Radio Heatherwood staff newsletters took many styles and methods of production during its publications.

We have recreated an issue distributed by email to radio staff and also posted on the staff noticeboard.

This newsletter originally published as above date.

The only changes made to these emails have been the removal of personal phone numbers and email addresses.

Guys

   This is on the bulletin board as well as I'm sending an email out for you all to check your bags. We have another CD which has gone missing. We took a request for Take that this morning and we were not able to fulfil the request because somebody has the cd.

   Please return it to the studio ASAP
