Car Boot Fair

To all Radio Heatherwood Presenters

On behalf of the management and the League of friends, I would like to thank all those presenters, who gave up their Saturday; to come along, and help with the League of friends car boot fair.

This is the one day in the year; where we as a radio station are able to make a public relations exercise for ourselves, as well as contribute to the hospital fund raising activities, it also shows to the management of the hospital, that the radio station is a substantial contributor to the well being of the patients not just for the day, but also for the other 364 days a year.

I know some of you were able to pick up some bargains. I heard from some of you interesting anecdotes about different aspects of the fair, which I am sure will make good radio at a later date.

ONCE AGAIN MANY THANKS

P.J. Davidson-Smith
Secretary
