

## Loan Radio Battery Service 1994

A reminder to all presenters with effect from January 1 Radio Heatherwood & the League of friends is not supplying free batteries. The unrecorded sales and freebies last year, has caused us to exceed our allotted funding for the service.

### Exceptions

The only exception to the rule, is if the patient is blind and there are no visitors round the bed and they have no money to pay for the battery.

The unit must be recorded in the log. Replacement batteries for the studio radio must also be shown in the log.
