

An agreement has been reached between the League of Friends and the Committee of the Ex Service men's Club next door to accept applications from our members for full membership to the ex service men's club.

A £10 joining fee and £15 annual fee will entitle you to use the club and all it's facilities. The club has two snooker tables, darts and the facility of cheaper drinks. Price difference on a pint of shandy is 30p cheaper than your pub at present.

It is our intention to patronise the club as a way of securing long term benefits for the radio staff. The club is a men only club which doesn't accept lady members. This doesn't prevent our lady members from attending provided they are accompanied by a male member of staff.

If the male members of each night agree to join this will ensure any females will be able to attend any get togethers we organise.

It has obvious advantages in being so near, no need to drive to the nearest pub any more when you want to unwind.

I have posted a copy of the rule book of the club. If you wish to become a member Please complete the membership forms. ***The reference to proposer and ex servicemen leave blank.***

All forms for membership have to be returned within 14 days so that you can attend a committee approval meeting on the Tuesday 22 February. Place your completed forms on my clip.

We are hoping to offer a subsidised membership to Team leaders.

If you have no wish to join please leave a note on my clip showing you have no interest.
