

Hi Guys Girls And Roger

As you know circumstances prevents David and I attending the Christmas lunch.

I thought as you were all together, now would be the time to announce a new plan for Radio Heatherwood.

On the reverse of this letter I have written some ideas for the new development plan!!!!!!!

The last year has seen many changes to the Radio Service and each year which passes throws up new plans and new challenges.

It doesn't matter what plan we are working to, it's only as good as the staff we have to carry out those plans. I would like to say we have the best staff any hospital radio could ask for.

But I Won't!!!

What I Would Say Is:- We have A Fantastic Staff and On Behalf of the Management Team, Thank you all; for all your hard work and your team effort in making Radio Heatherwood not just any old hospital radio, but a Great One.

Note To Roger:-

A Big thank you for your assistance in getting the new training program off the ground, Don't be downhearted by recent events. We have produced some quality trainee's this past year and they are a credit to your efforts.

A Merry Christmas to You All and Healthy and Prosperous New Year.

And Finally Watch Those Levels!!!!!!

PJ

PS.

In this envelope is a small gift to help with the cost of your lunches and the bar bill.
